

## NEW PREMIRA® XTRABRITE LED's

**PAR 38**

**PAR 30**

**MR16**

Maintenance Engineering is proud to introduce our NEW LED lamps.

The PAR lamps are 120-volt and the MR16's are 12-volt designs.

### **15 YEAR GUARANTEE**

- Reduced maintenance cost

### **ENERGY SAVINGS**

- Up to 85%, replace a 120-watt incandescent with an 18-watt LED
  - 18W replaces 120W
  - 14W replaces 75W
  - 6W replaces 35W

### **ALUMINUM COOLING FINS**

- Keep critical electronics cool, insuring long life.

### **PRECISION OPTICS**

- Excellent beam control

### **MERCURY FREE**

### **NO UV**

These new LED lamps will make a great addition to Maintenance Engineering's already great line of lamps.
